Free Bible & devotional resources

As your vicar, I can recommend a free digital Bible to strengthen your study and devotional times. You can use the Faithlife Bible Study on your desktop pc, or you can download the app onto your smartphone or tablet. It includes notes about each verse, maps, videos and photos. You can also access bible studies like '10 days on worry.' There are also free e-books regularly offered. Visit the website: www.faithlifebible.com

If you are visiting for the first time.....

It's great to see you!

Today is a shorter service with a relaxed feel, so please grab a drink and find a table. The children stay with us this morning as we worship together and think about Jesus and the bible.

Sermon Series – Jesus, Pure and Simple

We continue with session 6 of our sermon series, drawing on Wayne Cordeiro's book of the same name. Sometimes good things can take us away from our number one responsibility - knowing Jesus better. It's time to get back to Jesus, pure and simple.

Love Weston & Area – Why not sign up for this initiative to cover our whole town in prayer and loving action? The idea is that you pick a street and pray for it, then follow up with action and making friends. Sign up by visiting this website:
