A very warm welcome!

Especially to the family and friends of Alice as we welcome her in to the family of God!

Today is a short, family friendly service where the children stay with us throughout. There is a table at the back with some colouring activities if children want to do that. We hope you are made to feel welcome and comfortable. If you have any questions please speak to Chris or one of the Leadership Group (their photos are on the wall in the entrance).

Please stay for refreshments after the Service!
